

New from Natural Chemistry!

The most trusted name in specialty pool care

**For the
best
pool
maintenance!**

NC Part#05225

TRIPLE CLEAN FOR A PERFECT POOL:

- Naturally based enzymes to break down pollen, sunscreens, lotions, oils and more - reducing filter cleaning and waterline rings
- Phosphate removal to help keep unwanted phosphate contamination out of the pool
- Water polishing and advanced clarification

***The leader in natural based enzymes
for over 25 years***

DOSAGE/TREATMENT

One capful of **Pool Perfect® TOTAL™** treats 10,000 gallons of water per week.

A 2 liter bottle will last 8 weeks in a 20,000 gallon pool.
